

## Powerful Siren HC-S40

|                          |                         |
|--------------------------|-------------------------|
| <b>ITEM NO</b>           | HC-S40 ELECTRONIC SIREN |
| <b>OPERATING VOLTAGE</b> | DC 6-14V                |
| <b>CURRENT DRAW</b>      | 600mA/1200mA            |
| <b>OUTPUT POWER</b>      | 15W/20W                 |
| <b>SPL</b>               | 105db/115db/1m@ 12V     |
| <b>SOUND TYPE</b>        | SINGLE TONE/6-TONE      |
| <b>COLOR</b>             | BLACK, WHITE            |
| <b>SIZE</b>              | 101(W)*106(L)*101(H)mm  |
|                          |                         |

## Siren with Strobe LD-87

### Key Features :

- Loudest siren with solid-state strong strobes.
- With metal U type stand (LD-85U).
- Ceiling mounting type , disk mounting bracket (LD-87).
- Waterproof characteristics.

### Specifications :

- Operating voltage & current :
  - a. DC 12V Type : 6V – 14V DC , 250mA (at DC 12V)
  - b. DC 24V Type : 16V – 28V DC , 160mA (at DC 24V)
- Alarm tones : Siren (Typical tone) , Sweep , Hi-Low tone
- Operation frequency : 1.5KHz – 3.5KHz +/- 30%
- Siren output : 122 +/- dB
